Drum Press DP16

Compress drums by 90%
Easily compress your steel or oil drums. The drum press compacts the drums by 90%.

For drums up to 200 litre
The drum press easily handles drums without explosive content up to 200 litre.

Highlights

- Up to 90% compaction
- Spikes in the press plate puncture the drum and remove air
- High degree of safety
- Interlock system prevents the motor from running unless the door is closed
- Compressed drums are easy to stack and store

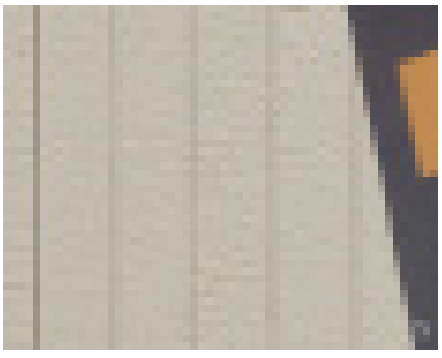

Details and benefits

Compact oil drums and other drums without explosive contents.

Spikes mounted underneath the press plate puncture the drum and remove air.

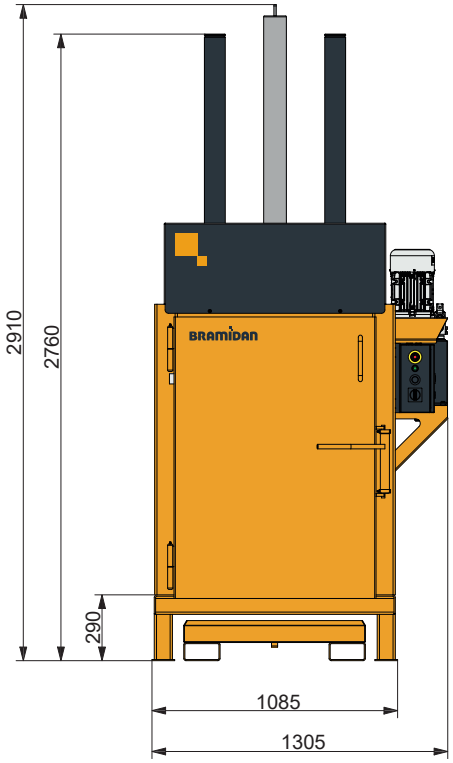

As an option, we offer a special drip tray to collect residuals.
